Lab: 2FA simple bypass

APPRENTICE

LAB

✓ Solved

This lab's two-factor authentication can be bypassed. You have already obtained a valid username and password, but do not have access to the user's 2FA verification code. To solve the lab, access Carlos's account page.

- Your credentials: `wiener:peter`
- Victim's credentials `carlos:montoya`

Login

The screenshot shows a login interface with a light blue background. At the top, the word "Username" is partially visible. Below it is a dropdown menu with three options: "Carlos", "car l'os", and "carols". The "carlos" option is selected, and the text "carlos" is visible in the input field. Below the username field is a "Password" label and a password input field containing seven dots. At the bottom of the form is a green "Log in" button.

Congratulations, you solved the lab!
